

LETTER OF AUTHORIZATION FOR NUMBER(S) PORTABILITY

We ask that you please read and follow all instructions on this form, so we may port your current number(s) to our service. As the owner of those numbers, you understand that:

- Although Ubyty Inc. takes every possible precaution to avoid disruption in your service minor disruptions may occur;
- This authorization **does not** transfer the property of the listed numbers to Ubyty Inc., it remains unchanged.

SPECIFIC INSTRUCTIONS

- Please make sure you **do not have internet services (DSL for example)** on any of the numbers listed here under. The portability of a number linked to that kind of service would lead to the interruption of this service. In case of doubt, please get in touch with your provider.
- Please **do not contact your current service provider** to make any changes to your file, as this will cancel the porting process. You must keep service until the porting process is complete.
- Please **do not contact your current service provider to disconnect service**, as this will stop the porting process. You must keep service until the porting process is complete.
- Please remember **it is your responsibility to disconnect** services with your old service provider **after** the port has been completed. Porting your numbers to Ubyty Inc. does not clear you from your contractual obligations.
- Please make sure you **do not have security or alarm services on any of the numbers** listed here under. The portability of a number linked to that kind of service would lead to the interruption of this service. When in doubt, please get in touch with your provider.
- Please send us back this form completed, signed and dated by email to **lnp@ubity.com**
